How long is an Ayre Manor Minute?
How ever long you want it to be

Gardener's Poem

The earth wakes up from winter's sleep,
 As emerald blades begin to peep.
 The hyacinth in robes of blue,
 Is sparkling with the morning dew.

A golden trumpet, loud and bold,
 The daffodil shakes off the cold,
 And in the air, a sweet refrain—
 The scent of spring and gentle rain.

Assisted living

Hippoty- Hop! It seems I've lost my Easter eggs. Between April 1st -15th be on the look out to help me find my colorful Easter eggs. I've been all over the place so make sure you check up, down, left, right and maybe even outside. If you can not reach an egg please ask for assistance. Once you have found some eggs bring them to the front desk on AL put your name on a piece of paper (provided in the bucket) and drop the piece of paper with your name on it and the egg in the box. This bunny is clumsy so I may lose them multiple times during my 15 day stay, so keep your eye out each day. Winner or winners will be announced at the May resident council meeting. Have fun and Happy Easter
